

# Laguna Madre Fly Fishers of Corpus Christi

## FROM THE PRESIDENT

Welcome to the 2011 edition of the Laguna Madre Fly Fishers of Corpus Christi. The LMFFCC is now in our third year and we are proud to announce we now have 42 members. That's a long way from our humble beginnings in 2009 when we had 11 at that first meeting. We have experienced the growing pains as any new club does but 2011 is shaping up to be a great year. If you love fly fishing or even if you have never touched a fly rod, the LMFFCC is the place to be. We are a family oriented, conservation-minded group that all share a common love of the beautiful and graceful sport of fly fishing. We have a diverse membership with all levels of experience. We have professional guides to college students so there is always something new to learn. So if you love fly fishing or are thinking of learning how then check us out on our website or better yet come to our monthly meeting on the 2<sup>nd</sup> Tuesday of the month, 7pm at Nolan's Restaurant on Airline.

## MEETINGS

The LMFFCC meets the 2<sup>nd</sup> Thursday of the month. We are currently meeting at Nolan's Poor Boy Restaurant at 2330 Airline Road. The meeting gets underway at 7pm but feel free to arrive early for a great dinner. Look for the room off to the right of the main dining room. On the third Thursday of the month, a fly tying/casting instruction roundtable is held starting at 7pm at Jerry B's on SPID.

## MEMBERSHIP

Club membership is open to all with an interest in fly fishing. The LMFFCC is a charter club of the Federation of Fly Fishers (FFF). As such, you must be a member of FFF to be a member of the LMFFCC. See the club website for more info and to sign up.

## CLUB WEBSITE

Speaking of websites, the LMFFCC has a great website. Check out [www.lagunamadreflyfishercc.com](http://www.lagunamadreflyfishercc.com) for the latest happenings. There you will find a great forum to post up your latest catch, ask questions, sell stuff and join the club. Need help with a fly pattern or want to know who's catching what, then this is the place to be.

The LMFFCC was well represented at the annual TPW Rainbow trout release at Waldron Pond on Saturday January 29. Club member and FFF casting instructor Dorothy Schramm was on hand to teach. Thanks to all who helped out.
